Five W's Vacation Planner

Vacations are fun and exciting; however, you need to plan. Even with the best made plans, vacations can be unpredictable. Use this planner to help you budget for your next adventure.

#### WHERE

Where are you going? Research the place you wish to visit. Look into tours, tourist season, average temperatures, foreign fees, culture, attractions, languages, and traditions.

Country	Cities to Visit

#### WHY

Why do you want to visit this country or city? How will this trip change your life experience? Why is this trip meaningful?

--

#### WHEN

List the possible trouble dates.
